This laboratory is the only one in the state under Public Sector engaged in the commercial production of bio-control agents. It can also claim as a pioneering center in disseminating the idea of field application of bio-control agents among the farming community of the state.
The center started functioning in December 2000 with the following objectives:-

- To undertake micro propagation of potential crop spices mainly floriculture and fruits
- To function as a training center on micro propagation
- Presentation and propagation of elite plant spices
- Varietal improvement of ornamental plants
- To function as a production and distribution center for ornamental plants through conventional propagation methods

The center produces tissue culture plantlets of anthurium, orchids, banana, vanilla, pepper, ornamental plants etc.

The tissue culture plantlets produced are supplied to farmers of Kerala, ICAR institutions, Kerala Agriculture University, KVKs, Other Research Stations and also to neighbouring states like Tamil Nadu, Karnataka and Goa.

**STATE AGMARK GRADING LABS - 14 Nos**

14 State Agmark Grading Laboratories had been set up in the state (one in each district) under the Department. Of this, 10 labs are functional.

1) Thiruvananthapuram - (1 No)
2) Kollam - (1 No)
3) Alappuzha - (1 No)
4) Pathanamthitta - (1 No)
5) Kottayam - (1 No)
6) Ernakulam - (1 No)
7) Thrissur - (1 No)
8) Kozhikkode - (1 No)
9) Palakkad - (1 No)
10) Kannur - (1 No)
The 4 new labs set up in Malappuram, Idukki, Kasaragod and Wayanad have not started analytical works, since post creation is not yet sanctioned. Steps are being taken to run these labs with staff found out either by deployment or additional charge.

Grading of agricultural commodities to issue Agmark labels for quality product is being done in the SAGLs. Coconut oil, gingely oil, ground spices, curry powder, atta, rice, ghee and honey are the major commodities being graded at present.

**Staff Sanctioned (10 Labs)**

1) Agricultural Officer - (10 Nos)
2) Lab Attender - (10 Nos)
3) Peon - (10 Nos)

**PESTICIDE TESTING LABORATORY, THIRUVANANTHAPURAM**

1) Deputy Director of Agriculture – (1 No)
2) Assistant Director of Agriculture – (1 No)
3) Agricultural Officer – (6 Nos)
4) Agriculture Assistant – (1 No)
5) Clerk - (2 Nos)
6) Confidential Assistant – (1 No)
7) Lab Assistant - (5 Nos)
8) Peon - (1 No)
9) Watcher - (1 No)
10) Part Time Sweeper – (1 No)

To ensure the timely analysis of samples received from Assistant Directors of Agriculture and Agricultural Officers and to convey the results. Testing of pesticides and their conformity to ISI specifications verified. To assist the Deputy Director of Agriculture in the day to day administration in the office.
RTT CENTRE, VELAYANI

1) Assistant Executive Engineer (Agri) – (1 No)
