Sir,

Sub: - Distribution and sale of non standard fertilizer - Suspension of Certificate of
Registration No:08/2017-20 dt 24-06-2017

Ref : - Note No TQ(2) 52198/17 dt 12/02/2019-

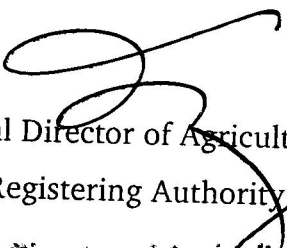

As per the reference cited it has been informed that the sample of Rock Phosphate distributed by your firm has been reported as non standard on analysis at Fertilizer Quality Control Laboratory, Pattambi (Analytical Report No. FQLI 170/2017-18 dt 22.11.2017) The explanation furnished by you on the lapses are not satisfactory and warrants strict action as per the provisions of Fertilizer Control Order , 1985.

In the Certificate of Registration issued to your firm from this office you were not permitted to distribute Rock Phosphate manufactured by M/s Priya Minerals & Metals. Distribution of fertilizers that are not authenticated in the licence is a grave contravention of the provisions of Fertilizer Control Order,1985.

Further the quality of fertilizers are governed under the FCO provisions. The specifications of various fertilizers are specified under FCO. Clause 19 of FCO strictly

prohibits the sale/manufacture of fertilizer which are not of prescribed standards. No person shall sell any product as fertilizer unless it is specified under the FCO.

Under the above circumstance the Certificate of Registration No: 08/ 2017-20 dt 24/06/2017 issued to M/s Modern Agencies, Building No.XI/423, Karoor. P.O , Chalakudy, Thrissur -680697 is **CANCELLED** with effect from 27/02/2019.
