To,

612020

Respected Sir/Madam,

Sub: Organizing five days training programme on "Production Protocol for Entomopathogenic Nematodes Nominations" - Regarding

Insect Pests in field crops are the primary concern of farmers. Many commercial crops suffer from insect damages up to 100%. Root grub in sugarcane is the similar kind of pest which feeds on sugarcane roots. NIPHM has developed low cost on farm mass production of Entomopathogenic Nematodes and their formulation technology. In order to convey use of entomopathogenic nematodes for the biological management of insect pests the following five days training programme is planned at NIPHM, Hyderabad.

S.No	Training Course	Duration	From	To
1	Production Protocol for Entomopathogenic Nematodes	5 days	24-02-2020	28-02-2020

Further, it is also informed that NIPHM will meet the Course fee, boarding and lodging charged of the participants nominated by government departments. Participants will be reimbursed travelling allowance as per their entitlement but restricted to IInd AC train fare on production of the original rail/bus tickets according to the norms of NIPHM.

In this regard, it is requested to kindly nominate 2 to 5 Officials of your department to attend this training Programmes being organized at NIPHM, Hyderabad.

The nomination may please be send to the Director (PHM), Plant Health Management, National Institute of Plant Health Management, Rajendranagar, Hyderabad-500 030 at the earliest by post or mail.
(dirphmniphm-ap@nic.in)

Thanking you

Yours Sincerely
