विषय/Sub.: Online training Programme on "Introduction to Plant Biosecurity & Plant Quarantine" from 14th to 18th December, 2020 (5 Days)- reg.

महोदय/Sir,

Plant Biosecurity has gained importance in recent years due to the increased pest incursions across the globe. The liberalization of world trade and increase in volume of agricultural trade in the international level has increased the risk of entry and establishment of exotic plant pests into the country. There is a need to promote safe trade at the same time safeguarding the nation's rich biodiversity. The international trade in agricultural commodities is subjected to various phytosanitary regulations and measures. Awareness of stakeholders on plant biosecurity and plant quarantine is vital to safeguard Plant Biosecurity and to facilitate safe export of agricultural commodities.

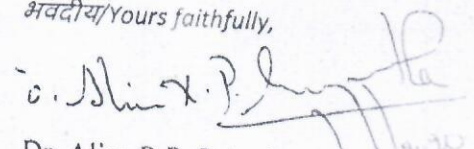

To create awareness and build expertise among stakeholders, NIPHM is organizing an exclusive online training programme on "Introduction to Plant Biosecurity & Plant Quarantine" from 14th to 18th December, 2020 (5 days). In this regard, it is requested to nominate/permit the officials to attend the above online training program.

- The official letter may kindly be issued to the nominated participants to communicate to this institute.
- Nominated officials requisite to register themselves for the above training in NIPHM website and upload their nomination letters & Whatsapp mobile number. Nomination letter is mandatory for confirmation of nomination and once the nomination is confirmed, the participant will be provided the links a day before, i.e., 13th Dec, 2020 to participate in the said online training program.
- After the completion of training programme, the e-certificates will be issued to the participants.
- The training will be conducted through virtual online platform. The guidelines will be communicated to the nominated officials. Hence, it is requested to send the nomination on or before 10.12.2020.

For further details/information, please contact Dr. K. Susheela Course Coordinator, on
Susheela.reddy@gov.in

With best regards,

भवदीय/Yours faithfully,

Dr. Alice R.P. Sujeeetha

Eudt. on TE(2)14374/2020 dtd. 09/12/2020

Copy of the letter communicated to all Principal Agricultural officers for sending nominations of officers who have not attended (like similar training previously). Nominations may be send in the e-mail id of jobatsng@gmail.com on or before 09-12-2020. Nominations should include the contact no and e-mail id of the officers.
