विषय /Sub: Online training Programme on "Pest Surveillance" from 23rd to 27th November, 2020
(5 Days)-Reg.

महोदय/Sir/Madam

1. Pest Surveillance plays a substantial role in promoting plant health which has become a trade policy issue. Pest surveillance provides insights into the health status of a country's agriculture and strengthens the stakeholders preparedness for preventive actions both in addressing the problems due to domestic pests of serious concerns as well as in protection of negative agricultural biodiversity from the incursion threats of exotic pests.
2. Public awareness of stakeholders (extension officials, research scientists and university faculties) and regular official surveillance are vital for pest eradication and containment programme. To create awareness and build expertise among stakeholders, NIPHM is organizing an exclusive online training programme on "Pest Surveillance" from 23rd to 27th, November, 2020 (05 days). In this regard, it is requested to nominate 3 to 5 officials to attend the online training.
3. The Official letter may kindly be issued to the nominated participants to communicate to this institute.
4. Nominated officials requisite to register themselves for the above training prog in NIPHM (niphm.gov.in)
4. Once the nomination is confirmed by this institute, participant will be allowed to participate in the online training program
5. After the completion of the training programme, the e-certificates will be issued to the successful participants
6. The training will be conducted through virtual online platform. The guidelines will be communicated to the nominated officials 20.11.2020. Hence, it is requested to register on or before 20.11.2020
7. For further details/information, please contact Dr. Pyla Jyothi, Course Co-ordinator, 7022408393/pylajyothi.agri@gmail.com.

With best regards

भवदीय/Yours faithfully,

(Dr. C. Alice R. P. Sujeetha) 20/10/2020
निदेशक(पि.बि.डि)/Director(PBD)

Enrol No 45(2) 16882/2020 dt 28/10/2020
