(Twenty Seven lakhs Eighty four thousand only)

Geo-tagging of Biogas Plants

Geo- tagging of the biogas plants will be done twice, once the project site is finally approved and the second would be done when the biogas plant is finally commissioned.

In order to avoid duplication/wrong reporting and false and fake claims, each plant should be serialized by giving unique ID number with Pre-determined identification mark and date, month and year of commissioning and code for panchayat/block/district along with implementing agency. The unique number embossed/carved out on the plants on a metal strip/piece should be welded on the gas outlet pipe in the dome portion or gas holder depending on the model. It is to be ensured that the inscription is visible to the inspecting officers years after completion. The unique identification mark & code of each biogas plant should be recorded in the Permanent Master Register (PMR).

Photograph of the beneficiary:-

Four photographs of the biogas plant beneficiary in original should be taken at three different stages viz (1) plant size (2) under construction stage (3) at the time of commissioning of the plant. These photographs should be kept in record along with the original application of the beneficiary.

Submission of Progress Reports :-

Principal Agricultural Officers are directed to forward component wise monthly progress achievement report in the proforma (Annexure-X) along with financial achievement by 28th of each months. Since the government is giving emphosis to women participation and gender budgeting maximum efforts have to be made to include women beneficiaries in the scheme. Monthly progress report along with financial achievements should be submitted by e-mail id of Director of Agriculture and also to adabiogas@gmail.com.

Physical verification:-

The Agricultural officers of Krishi Bhavans should inspect each and every biogas plants at least twice ie. before and after the construction of biogas plant. The Assistant Director of Agriculture at block level should verify 50% of the completed plants while the District level officers should verify 33% of the commissioned plant before forwarding final claims. Head Quarters office will randomly check 15% of the new biogas plants commissioned.

All Principal Agricultural Officers are directed to ensure envolvement of LSGD / Gramapanchayat in the selection of beneficiaries for setting up of family type biogas plant of Deenabandu model.

Deputy Director of Agriculture (Credit) will be in charge of implementing the scheme at District level. At state level Additional Director of Agriculture (Biogas & Farms) will monitor the scheme.

The expenditure will be met from funds available under the Head of Account 2810-00-105-97 (P).

All Principal Agricultural Officers are requested to take urgent action to achieve the alloted target in full during the current year itself. Copy of the circular should be communicated to all implementing officers up to Krishibhavan level.

The receipt of this circular should be acknowledged.
