Sub: Annual Plan 2021-22 - Scheme for 'Coconut Development-2021-22- Rehabilitation and Rejuvenation of coconut palms in Kerala as part of Coconut Mission- Coconut Council-III year- Kera Keralam Samrudha Keralam" Scheme - working instruction issued- reg

Ref: 1. Order no. ADFW/3118/2021TP2 dated 10.06.2021
2. Decision in the Coconut Development Council – General Council meeting held on 17.06.2021

.....

During the current financial year, there is a budget provision of **Rs. 7547 lakh** under the Head of Account **2401-00-103-87 Plan** for implementation of the scheme on 'Coconut Development'. One of the components of the scheme is 'Rehabilitation and rejuvenation of coconut palms in Kerala as part of Coconut Mission- Coconut Council (3rd year activities)' for which an amount of **Rs 2591 lakh** is available. As per order read 1st above, continuous administrative sanction has been accorded for the implementation of the Coconut council scheme- III year for an amount of Rs. 1014.5774 lakh during 2021-22. The components of the scheme are:

- Distribution of coconut seedlings – Rs.975.00 lakh
- Transportation of seedlings and awareness programmes- Rs. 39.5774 lakh

In order to bring visible changes in the present scenario, Government of Kerala, vide GO (Ms) No.138/2018/Agri dated 21-11-2018 has constituted a Coconut Development Council with the objectives of expanding area under coconut cultivation in the State, improving production and productivity and overall improvement of this sector. The council activities are planned with a 10 year vision from 2018 to 2028.

Objectives of the rejuvenation programme

- Cut and removal of old, senile, unproductive and disease advanced palms.
- Replanting with high yielding semi tall and dwarf varieties.
- Rejuvenation of existing gardens by adopting integrated management practices.
- Assistance for replanting

- Under planting in old plantations with good quality planting materials.
- Development of existing coconut farms for effective supply of seed nut

The major interventions proposed under coconut council are:

1. Bring additional area of 1.44 lakh ha under coconut cultivation by the year 2028.
2. Increase productivity of coconut palms.
3. Ensure availability of good quality planting materials to farmers through expanding scientific seednut procurement and establishment of decentralised nurseries.
4. Encourage inter cropping and mixed cropping in coconut plantations.
5. 'Keragramams' to be formed in all panchayats having major area under coconut.
6. Trained youth to be grouped as Kera Karma Senas for carrying out harvesting and plant protection activities.
7. Encourage coconut based value addition ventures.
8. Support startups in coconut sector.
9. The functioning of coconut agro parks to be started.
10. Popularise neera and other good quality coconut palm products at national and international levels.

Programme: -

The following activities will be undertaken to increase production and productivity of coconut in the State under this scheme.

- Distribution of quality coconut seedling
- Transportation of seedlings and awareness programmes

Detailed programme and activities envisaged are furnished below

Distribution of coconut seedlings –Rs. 1014.5774 lakh

One of the main activity to be undertaken to increase production and productivity of coconut in the State is distribution of quality coconut seedlings

A. Distribution of coconut seedlings @ 75 number per ward (- Rs.975 lakh)

The Coconut Council scheme for Rehabilitation and rejuvenation of coconut palms in Kerala as part of Coconut Mission is implemented under the title 'Kera Keralam Samrudha Keralam' in all

the districts from 2019-20 onwards. During 2021-22, it is envisaged to distribute **15 lakh** good quality coconut seedlings comprising of WCT, Dwarf and Hybrid varieties produced by Agriculture Department, Kerala Agricultural University, Coconut Development Board and Central Plantation Crops Research Institute.

The variety wise assistance for seedlings is detailed below.

Sl. No	Variety of seedlings	No. of seedlings (in lakh)	Cost/ seedling (Rs)	Total amount of Assistance (50% Cost of seedlings) (Rs. In lakh)
a	WCT	9	100	450
b	Dwarf	3	100	150
c	Hybrid	3	250	375
	Total	15		975

An amount of Rs.975 lakh is ear marked for this component.

During 2021-22, the available number of coconut seedlings is **1068124** ie., 905020 WCT, 33496 dwarf and 129608 hybrids. These coconut seedlings will be distributed to **946** selected Krishi Bhavans. The list of panchayats selected during 2021-22, along with number of seedlings to be distributed is attached as **Annexure-I**. The district wise/ Agency wise/ variety wise number of coconut seedlings for distribution during 2021-22 is given in **Annexure-II**. Change of panchayats, if any required, may be done at district level under intimation to the Directorate of Agriculture. The distribution of coconut seedlings is to be commenced from **28.06.2021** and completed within a period of one month positively.

B. Transportation of seedlings and awareness programme (Rs. 39.5774 lakh)

The coconut seedlings allotted to the districts from different farms/agencies should be distributed to the farmers of the selected Krishi Bhavans by the Principal Agricultural Officer/ Assistant Director of Agriculture concerned. Transportation of coconut seedlings have to be carried out through department vehicles or private vehicles. Smaller vehicles, preferably, may be used for transportation so that seedling damage can be minimized. Tender procedures should be followed for hiring of vehicles wherever necessary. Assistant Directors of Agriculture should take necessary

arrangement for hiring vehicles for distribution of coconut seedlings to the Krishi Bhavans under their control, for which sanction should be accorded by the Principal Agricultural Officers. Since the Covid -19 pandemic is continuing in the State, awareness programmes may be organised during the distribution of seedlings following COVID-19 protocol.

An amount of Rs. 39.5774 lakh is earmarked for meeting the cost towards awareness programmes, transportation charges and connected expenses such as loading and unloading charges. The Principal Agricultural Officers should inform the amount required for allotment of funds.

General guidelines for distribution of seedlings, collection and remittance of cost of seedling:

- Due to shortage in availability of dwarf and hybrid seedlings, the Coconut Development Council- General Council meeting held on 17.06.2021 has decided to distribute seedlings of WCT, Dwarf and Hybrids based on availability during the current year. **Accordingly, the 60:20:20 ratio of WCT, Dwarf and Hybrids need not be followed during the current year.**
- The meeting also decided that the maximum number of seedlings that can be distributed in a selected panchayat is 75 multiplied by the number of wards in the panchayat, and the seedlings can be distributed anywhere within the panchayat as per requirement. **Accordingly, the 75 number per ward rate of distribution need not be followed during the current year.**
- **The three number per farmer limit has been relaxed and the maximum number of seedlings that can be supplied to a farmer has been increased to 175 per ha based on the land holding of the farmer.** The Agricultural Officers should ensure the genuinity of the farmers and his area. Priority should be given to small and marginal farmers while distributing seedlings
- The seedlings available in Departmental Farms should be supplied along with tag. Action should be taken at district level for ensuring that tags are made available to the farms before lifting of seedlings.

- Action should be taken by the Principal Agricultural Officers for procuring seedlings from other districts as per the list attached as Annexure -II.
- Beneficiary selection should be made in consultation with the panchayat level Agriculture Development Committee or panchayat/ municipality/ corporation committee.
- The cost of seedlings is Rs. 100/- for WCT and dwarf varieties and Rs. 250/- for hybrids. 50% cost will be provided from the budget provision and the balance 50% is to be collected from beneficiaries.
- The Agricultural Officer of Krishi Bhavans should directly supply the coconut seedlings to the farmers and collect the 50% cost of seedlings through separate receipts printed for this purpose and remit the amount to **STSB Account no. 799011400005804 maintained in Sub Treasury, Vellayambalam, Thiruvananthapuram (Treasury Code-104, Customer ID-1855113)** in the name of Director of Agriculture.
- The receipt books issued last year may be used for this purpose. Action has been taken for printing of more receipt books from Head Quarters. In case the required additional receipt books are not received in time, the accounts are to be maintained in a separate register until the receipt books are made available to the Krishi Bhavans. **Principal Agricultural Officers should distribute the receipt books to the Krishi Bhavans concerned and instruct Agricultural Officers to remit the amount to the above STSB account.**
- It should be ensured that the seedlings distributed under the scheme are properly maintained in the field; hence the details like name and address of farmer, variety and number of seedlings, address of farm where the seedling was produced, subsidy amount, signature of farmer, etc should be maintained.
- The details of agency wise (farm wise), variety wise number of seedlings distributed, along with invoice number, date, amount and bank details should be consolidated at district level and submitted to Head Quarters as per format available in **Annexure III** within a period of one month from date of completion of distribution, for settling the subsidy payments to the agency. No changes should be made in the proforma.

- The details of Krishi Bhavan wise details of remittance of beneficiary contribution (Chalan no. and date of remittance along with amount) should be reconciled and consolidated at district level and submitted to Head Quarters as per format available in **Annexure IV** within a period of one month from date of completion of distribution, for settling the beneficiary contribution to the agency. No changes should be made in the proforma.

Implementation and Monitoring

The Agricultural Officer of Krishi Bhavans will be responsible for effective implementation of the scheme at Panchayat level. The Assistant Director of Agriculture will monitor the scheme at block level and Deputy Director of Agriculture (YP) at district level. Principal Agricultural Officer will supervise the scheme implementation at district level. Additional Director of Agriculture (CP) will monitor the scheme at State level. The ADAs should submit a consolidated block wise report to the DDA (YP) who in turn will submit a detailed report to the Additional Director of Agriculture (CP) every week till distribution is complete. **Weekly progress report of physical targets and achievements should be furnished as per Annexure-V.** Since Government is giving emphasis to women participation and gender budgeting, maximum efforts have to be made to include women beneficiaries in the scheme. (Reporting and official correspondence in respect of this scheme may be made in the email id adatbagridir@gmail.com and deputydacd@gmail.com) .

The Principal Agricultural Officers shall furnish a detailed completion report including the number of beneficiaries (male, female, SC/ST, general) and utilization certificate immediately on completion of the project.

The expenditure for the scheme Rehabilitation and rejuvenation of coconut- coconut council scheme- Kerakeralam Samrudha Keralam -3rd year will be debited under the head of account **2401-00-103-87 OC Plan during current year's budget provision.**
