**Circular**

Exposure Tour for farmers - extension of date of accepting online application-  
Sub:- orders issued-reg

Ref: Circular of even no. dated 17. 12.2022

As per the reference cited, directions have been issued for the selection of farmers for Exposure visit to Israel and accordingly the online application for international visit for farmers has been made available from 19.12.2022 to 29.12.2022 in AIMS 2.0 portal.

Taking into consideration the requests received from the districts regarding the extension of last date of application for producing the required documents in connection with the submission of online application by many of the eligible farmers, the last date of accepting online application is extended for a further period of 14 days (till 12-01-2023).
